## *Foreword*

We are teen-agers moving into a rising crescendo of actions that make our world truly a MODERN WORLD. In the adult years ahead as we look back to 1960 and 1961 for a pleasant memory or two, this book will release its captured dreams and it will fulfill its purpose.

This is the SHERMAN SENIOR HIGH SCHOOL. This is the building, the students, the faculty, and the traditions of an institution dedicated to an intangible ideal that tomorrow's achievements are built on today's accomplishments, the dreams of yesterday.

## HISTORY OF SHERMAN HIGH SCHOOL

One day, the turning of these pages will release to your mind memory of your days at Sherman High School; you will then think of the history of your school.

The high school was organized in 1891 on the third floor of the Washington building. In 1898 the high school was moved to the Franklin building for one year. Then the first regular high school building was built in 1899. This building was burned in 1907.

In 1909 the course was lengthened from three years to four years, and as a result there was no graduating class that year. For several years there were two graduations a year, one at mid-term and one in June. This was abandoned, because it was an unnecessary expense, and no good result came of it.

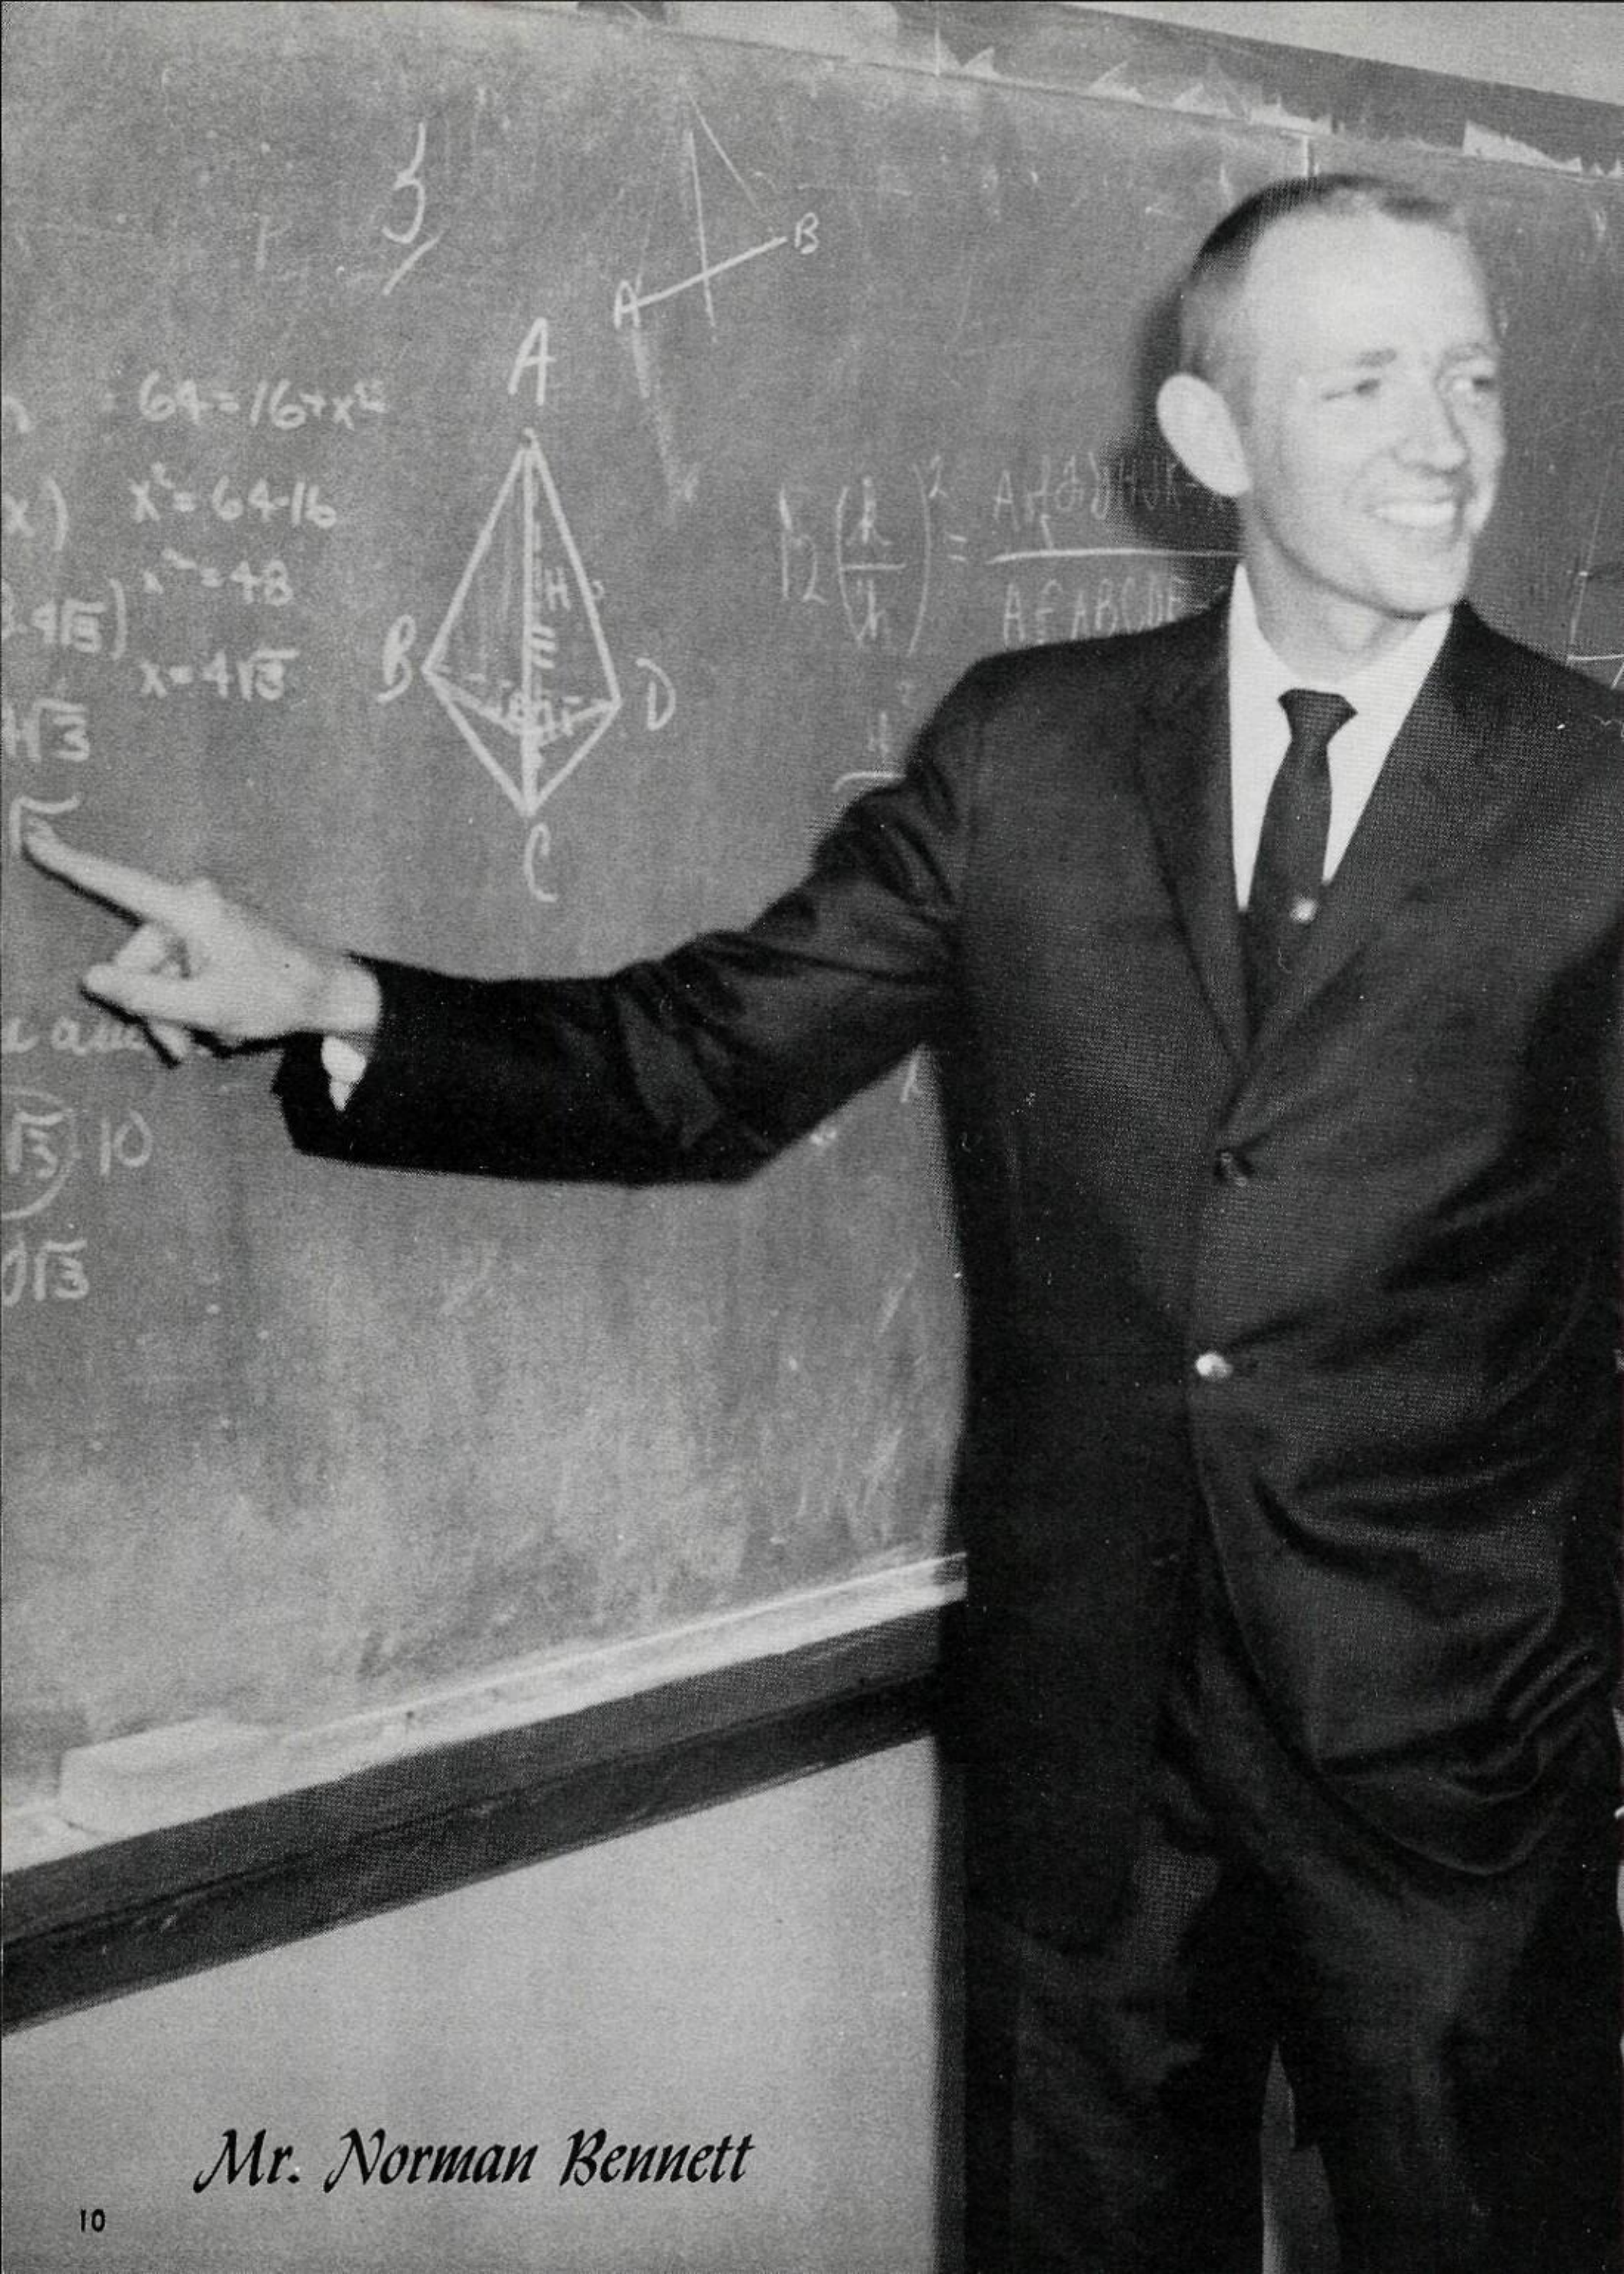

When the old Junior High School building was built, the Board said that it would be sufficient for twenty years; however, in 1917 it was necessary to move into our present Junior High building, then the High School, with three of the grades in high school and one in Junior High. In 1923 the high school building was increased again, and they put all four grades in high school. In 1946 the course was once again lengthened, putting five grades in high school and leaving the seventh grade in grade school.

In 1954 work was started on the present High School building. The class of 1955 was the first class to graduate from the new school. The old high school building was changed to the present Junior High.

We know that Sherman High School is not the largest, but we do consider it the best. Our inspiration is in the past; our duty is in the present; and our hope is in the future. May the future Sherman High School graduates step into the world with that "ole" SHS spirit that carries on till the game is over!

*Mr. Norman Bennett*

## *Dedication*

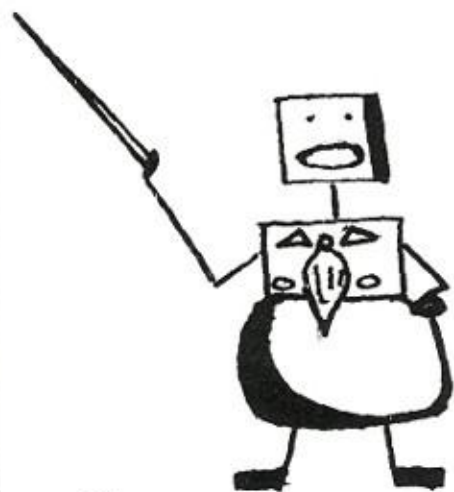

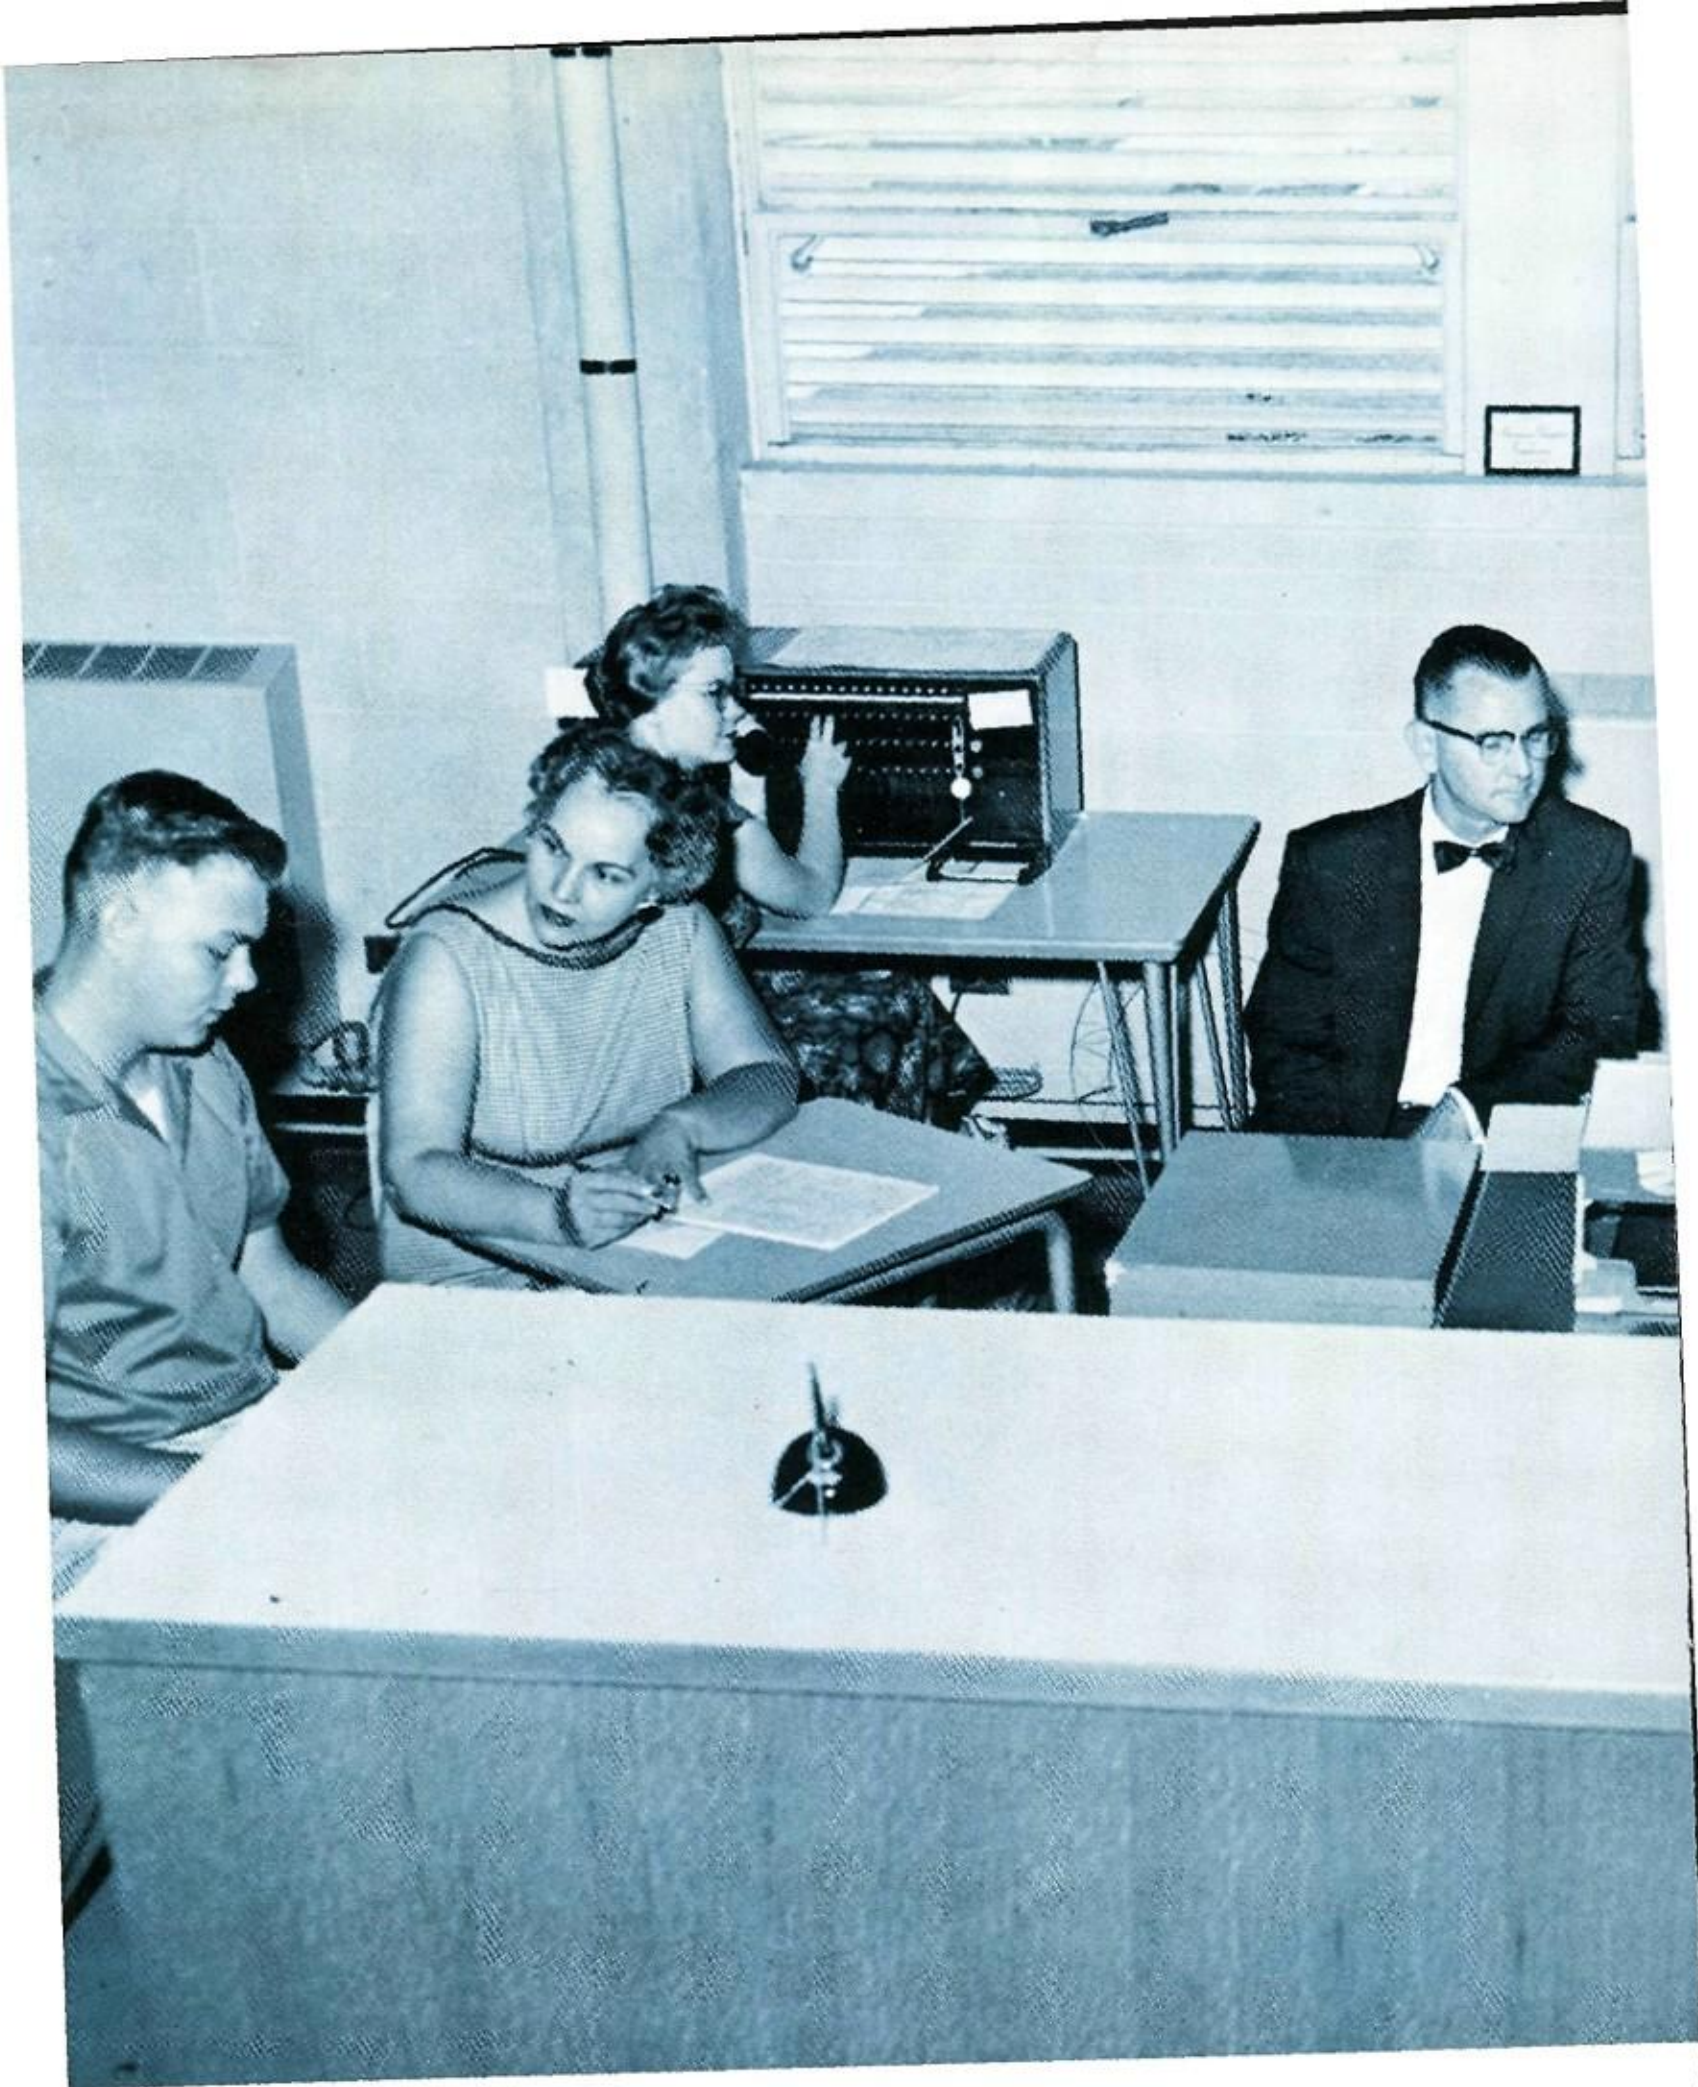

For his dedicated leadership, his untiring efforts in helping us with our problems, his recognition of the good even in the worst of us . . .

For his appreciation of the fact that the secret of education lies in respecting the student, for his belief that success consists of getting up just one more time than we fall . . .

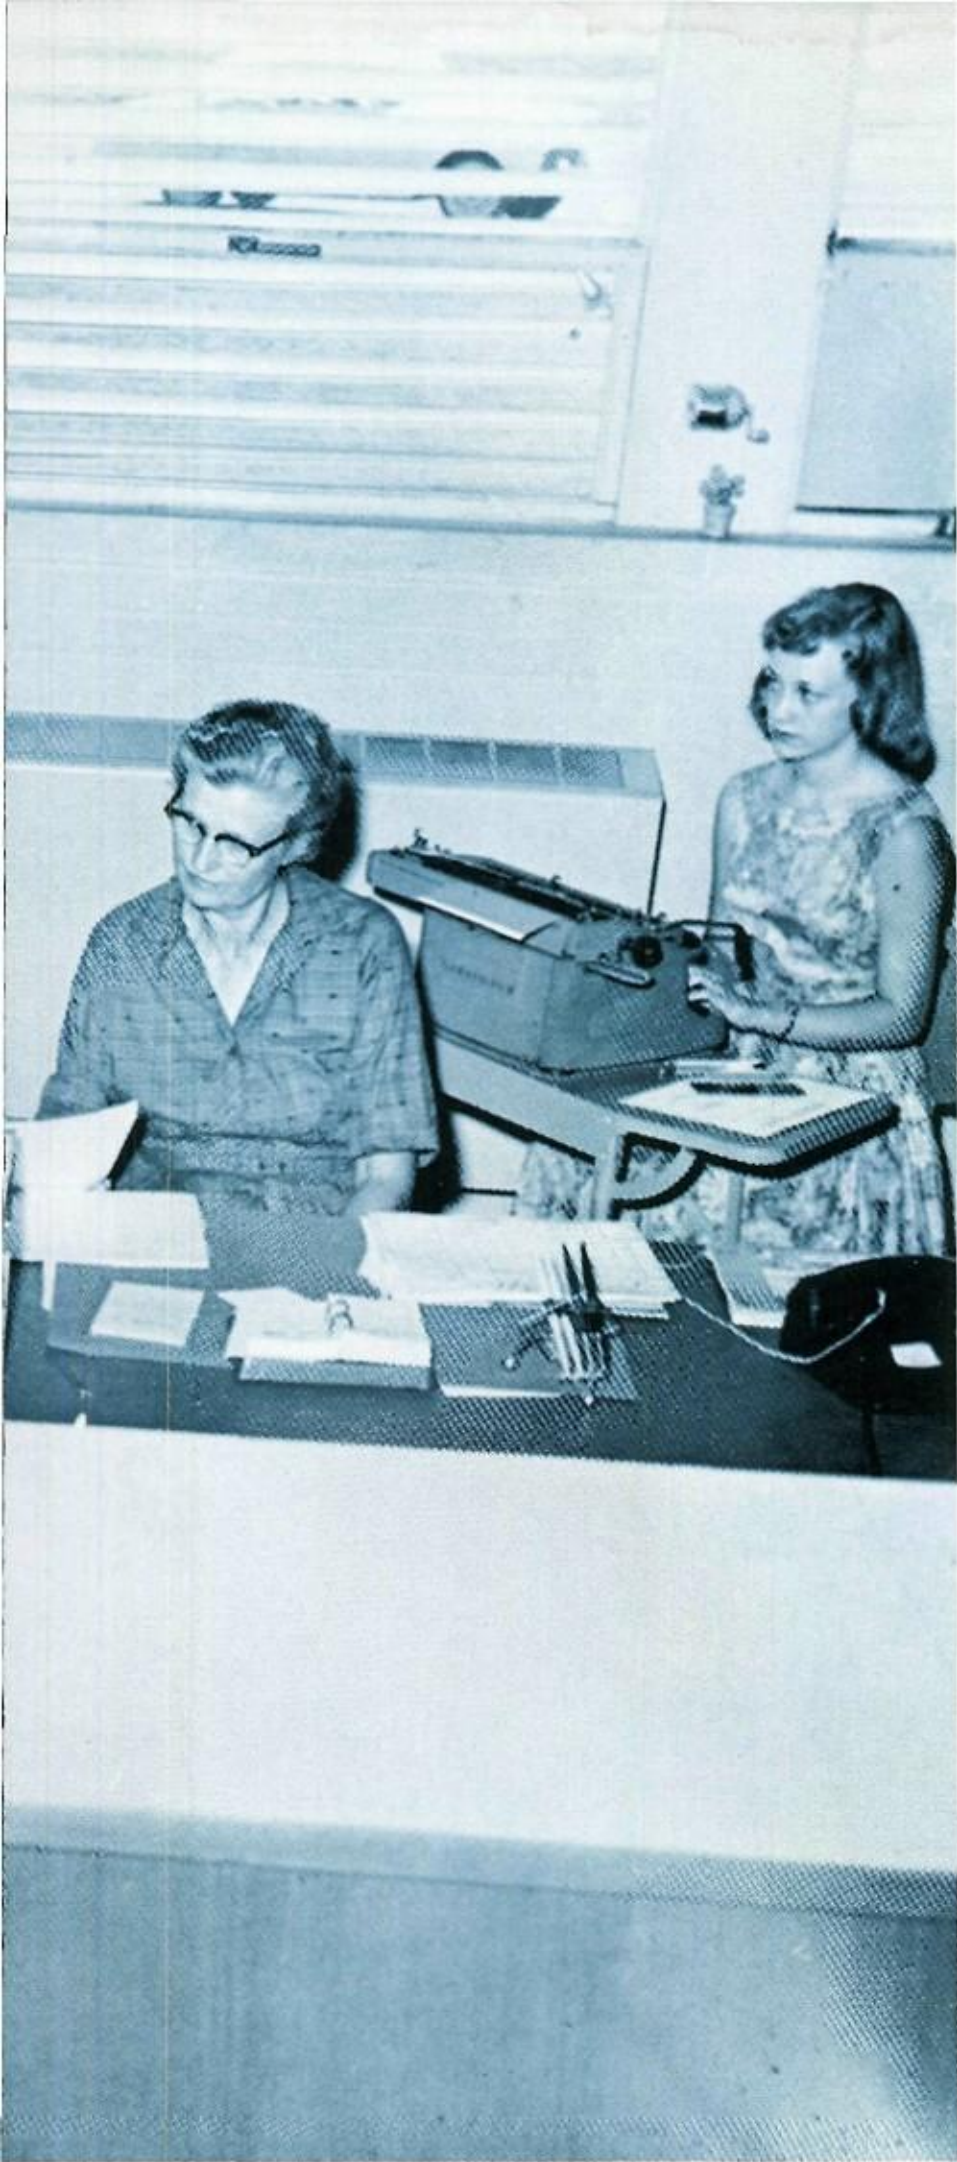

For his cheerfulness, his courage, his enthusiasm, his understanding, and above all for his love and devotion to Sherman High School, we dedicate this, our 1961 Athenian, to you . . .

MR. NORMAN J. BENNETT

## *Administration*

The smooth operation of Sherman High School depends upon its administration: superintendent, principal, staff and faculty members. Scheduling students, securing supplies, caring for our building, guiding and teaching, and providing many other services are among the obvious duties you perform . . . but we recognize a greater value and service: that of guiding us, inspiring us, making us want to be satisfied with nothing less than a job well done.

*Mr. Byron Davis*  
*Superintendent of Sherman Public Schools*

## *Superintendent's Message*

"It is better to light one candle than to curse the darkness." This ancient statement is particularly applicable in this era. The hope of the world lies in young men and women who will do something about the problems which they see rather than to complain about their fate. Every successful person carries within himself the light of leadership. In history's most challenging period, resolve to help our nation be a light unto the other countries of the universe. Begin by being a light of brotherhood wherever you are.

BYRON DAVIS

Mr. E. M. St. John  
Mr. St. John, Manager of the Lone Star Gas Company, father of two children attending the Sherman Schools, and graduate of Texas A&I, was elected to the Board of Education in 1959.

Mrs. R. J. Bell

## *Principal's Message*

Athenian time is always a joyful yet sorrowful one to each of us. Joyful in that another milestone in our educational career has been achieved; sorrowful in that many of us are saying farewell to Sherman High School as we complete our high school careers.

The Athenian, however, will keep fresh forever the happy memories of Sherman High School and the many friends that were made here. Cherish this book through the years and it will be a happy reminder always of Sherman High School.

Each of us who teaches always is filled with pride and satisfaction when he sees the progress that each of you makes from year to year through school. Habits, attitudes, and ideals that you acquire in school usually follow you through life. Make the most of your high school years in developing your mind, your body, and your spirit to the utmost so that you may take your rightful place in a free society.

Walter Carpenter

*Mr. H. B. Onley*  
*Assistant Principal*

Mr. H. B. Onley came to Sherman High School in 1948. He has held many positions since that time as Athletic Business Manager and Treasurer of the Activity Fund. This year he was appointed to fill a new position, that of Assistant Principal of Sherman High School.

# *Sherman High School Staff*

These are the people who assist the principal and assistant principal in some of the administrative tasks:

Mrs. Maurine Davis is the office manager. It is her job to put out bulletins, operate office machines as duplicating for teachers, operating the switch board and public address system, keeping the files and permanent records, and taking care of school insurance.

Mrs. Charlynn Elliott takes care of all the books in the library. She sees that they are all turned in on time, are in good condition, and that there are a variety of books available to the students.

Miss Nina Ferrill directs the activities at Sherman High School. She sponsors the student council, arranges for the assembly programs, and plans students activities.

Miss Mary Joe McNeely is in charge of records, reports, testing, and vocational and college counseling. She keeps the students grades and counsels with them on their choice of subjects.

Mrs. Vera Vaden is Dean of Girls. She keeps the student's attendance records, is in charge of permits, and helps girls with any problems that they might have whether personal or disciplinary matters.

## *Teaching Is a Noble Profession*

Every person must know that one and one are two in order to balance his budget and even more important, his life. Some, though, go beyond this point and learn the more difficult things involved in mathematics, because he may wish to enter into a field where the knowledge of math is required. Ronnie, Lana, Peter, and Barbara listen while Mr. Long shows the steps that are required to solve an algebra problem.

## *It Takes More Than Readin' and Writin'*

This was a presidential election year, and every one expressed their view point on what candidate they liked and why they believed he was the best suited for the job. Since it was such an important year the civics classes studied a unit on presidential candidates and their party. Mrs. Case explains to Larry, Patty, and Gary some of the fundamentals of our government.

## *Miss Louise Linton* *Senior Sponsor*

Miss Louise Linton, Senior sponsor, spends many hours in the preparation and planning of class activities. In our Sophomore and Junior years she helped in counseling and social activities. Her biggest job was planning for the Seniors. She supervised in the ordering of class rings and invitations and helped plan our graduation.

Our gratitude goes out to Miss Linton for helping us these three years. We are deeply grateful, and we will remember her in years to come.

A long awaited dream came true for us this year when we became the Senior Class of 1961. The fruits of our many labors during the past years were realized; it was time for us to accept the responsibilities and joys of being Seniors. We were the loudest yellers in pep rallies, the hardest workers on school projects, and the biggest backers of our school. We set a standard which will be respected by classes in years to come. This year has been filled with much happiness for us; the thrill of using the Senior door and the joy of getting our Senior rings are just a few of the many wonderful things that have made this year one we shall always remember.

The fulfillment of our works could have not been experienced without the help of our principal, faculty, and class sponsor. To these, go our thanks and gratitude.

Although the end of an era in our time has come, we are looking forward to new horizons and challenges to be met. Wherever our separate paths may lead us, whatever cherished memories remain strongest in our hearts, we shall always be one class in spirit. Now the end of our journey is in sight. The Senior Class of 1961 bids farewell to Sherman High School.

*Miss Jimmie Phillips*  
*Mr. Martin Hearne*  
*Junior Sponsors*

Miss Phillips and Mr. Hearne have the job of sponsoring the Junior class. Both last year and this year they have planned the annual class party. Each year homeroom and class officers are elected and the sponsors must check on the eligibility of them and also work with the officers to plan the class meetings.

The Junior sponsors' job is not quite finished for they still have the biggest job of planning with the Seniors next year.

How long are school years? As a group let us look back and recollect some of the events we have experienced together. Remember when our Junior High School burned? We gained by our loss in realizing how much it meant to be together. No wonder our class has such spirit! Remember, too, how we all backed our 9th grade basketball team and they won the district for us.

Since we entered high school our spirit has been present everywhere. We have had outstanding students representing us in scholastic organizations, sports, band, cheerleaders, Variety Show, *Hi-Talk*, Student Council, and participating in every phase of school life. We can be proud to be a part of our Class.

Years from now we will remember that as Sophomores "Homecoming Queen" was revamped to "Football Sweetheart," as Juniors, the class favorites and royal parties were restyled into "Who's Who" and our marvelous football team was composed of many of our classmates.

Next year we will reach the climax of our "togetherness"—we will be "The Seniors." We have been bound together by bands forged from common misfortunes and joys; we have worked and relaxed always together. Can any of us account for the fact that time has flown? Hail to the Junior Class of '60!

*Mr. Bill McClure*  
*Miss Gene Loop*  
*Sophomore Sponsors*

Because the Sophomores are new to Sherman High School, Miss Loop and Mr. McClure must take charge to see that each student knows the SHS rules and regulations. Also they must oversee the extracurricular activities and projects, and coordinate elections.

These sponsors will guide, counsel, and sponsor activities for the remaining two years of school.

We, the Sophomore Class of 1960-61, entered the portals of Sherman High School in September, 1960, with high hopes; yet misgivings and a definite feeling of insecurity. It was a new world, a glamorous world; one for which we had longed for three years of Junior High.

The immaculately clean building, the orderly functioning of all activities, the seriousness of the teachers and the older students were frightening at first. But, as we began to find our way about and understand the desire of the Juniors and Seniors to help us through, our days became happier ones.

We are grateful to you—Classes of 1961 and 62—and hope that in our next two years we can be as helpful, understanding and thoughtful of those who will follow us as Sophomores.

## *National Honor Society*

Sponsor  
MISS FRANK BALL ROOT

The Sherman High Chapter of the National Honor Society, chartered in 1935, is an honorary and service group composed of juniors and seniors who rank in the highest ten per cent of their classes scholastically and who are rated by the faculty as exceptionally outstanding in character, leadership, and service to the school.

Main projects of the chapter this year have been Christmas boxes and Easter baskets for residents of the County Farm, and a collection of about two hundred books for the Memorial library at Wilson N. Jones Hospital.

## *Debate Club*

Hammonds, Elliot, Fant, Corse, Hartwig, Chapman, Booth, Hutchins, McMillin, Saalfeld, Beardsley, Newton.

The Debate Club has participated in seven tournaments this year discussing the topic, Resolved: that the United Nations should be significantly strengthened.

## *Pan American Student Forum*

The Pan American Student Forum of Texas works to promote friendship and understanding among the people of all the Americas. Chapters now are organized in most of the leading secondary schools of Texas. Last year groups from several Mexican schools were admitted. Activities are sponsored and co-ordinated by the Good Neighbor Commission of Texas.

Students observe this favorite game of our Southern neighbors. They look on as they eagerly await the breaking of the pinata.

## Registrar's Assistants

Holloway, Higgins, Fowler, Lusk, Pitman. *McKown*

Selected on the basis of willingness to work, dependability, and initiative, the library assistants care for library books and file cards.

The office assistants give up their study period each day to help in the office, operating the switch board, typing, and keeping permanent records.

A monitor may be found in the center hall each period of the day to welcome all visitors to Sherman High.

Dean's Assistants help in keeping the attendance records straight.

ICT prepares you for a useful occupation of your own choice on real jobs, with the actual tools and machines used in industry, with skilled craftsmen, technicians, and professional people supervising your work experience and training. It also gives the trainee actual work experience with pay, establishes for him an employment record with a reputable firm; it builds confidence, skill, and "know-how" necessary to cope with real-life situations.

This program provides one-half day of training on the job, and one-half day in the class room where the student takes his required subjects for graduation.

Distributive Education is a vocational program in Sherman High School, offered to qualified Juniors and Seniors.

It offers instruction and training in distribution and marketing in order to aid these students in "the ability to earn a living" after graduation.

Its other goals are: to aid in improving the techniques of distribution, and to develop an understanding of the social and economic responsibilities of those engaged in distribution in a free competitive society.

MRS. CLYDE DAVIS  
Sponsor

Our Cheerleaders have organized themselves and the rest of the school into a large supporting body for our teams. Their songs and yells build up Bearcat spirit at football and basketball games.

Each spring frightened Sophomore and Junior students take their places for that exciting moment when they try out for Cheerleaders. Three Juniors and Three Seniors are elected by the student body.

Their sponsor, Mrs. Clyde Davis, helps them plan their pep rallies and guides them in their choice of yells. Without her help, what would we do!

Joycee Linxwiler, Jerri Jeffcoats, Bev Bryant, and Jane Wrenn patiently await time for their act.

"I don't let nobody push me around." Miss Loop shows them how it is done at the dress rehearsal.

Glenda Cain and Richard Thompson make a perfect "Two-some."

Mary Charles Rigsby, Lisha Nussbaum and Kay Wason keep themselves entertained while waiting their act.

# Show

Miss Noble seems to be daring Johnny Moseley to get into her food.

The Majorettes really look like "Buttons and Bows."

Linda Uphouse and Linda Able dance to "Manhattan."

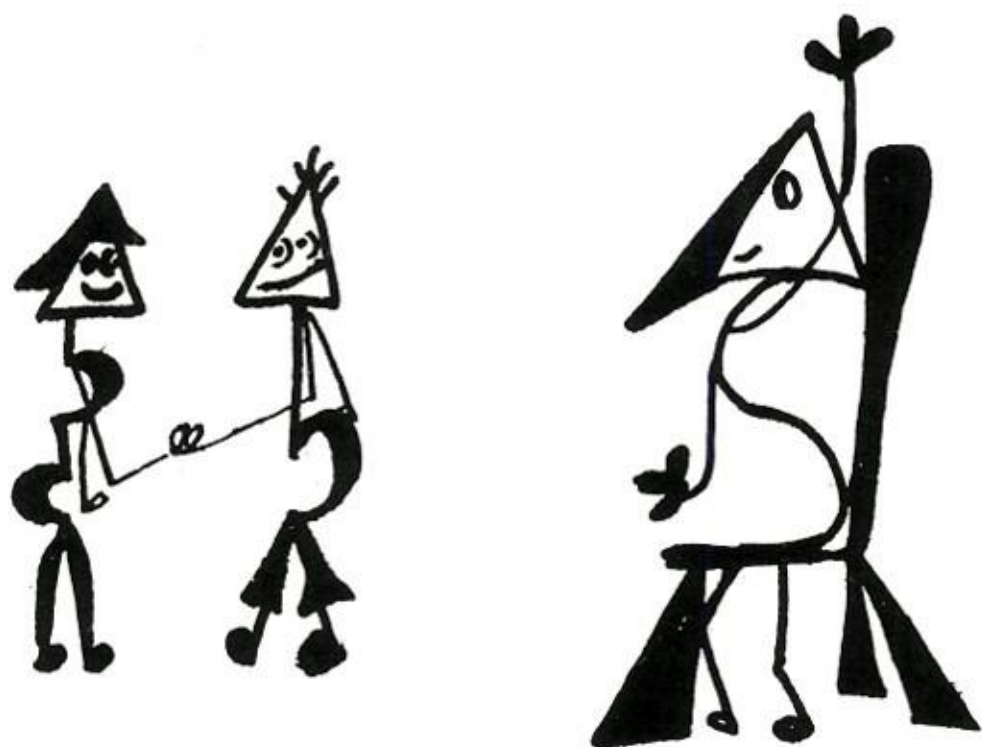

"Oh, What a Beautiful Morning" seems to float from Len Gallop's lips.

"Mississippi Mudd" . . . how can it be explained?

HOYT HOLCOMB  
Agriculture

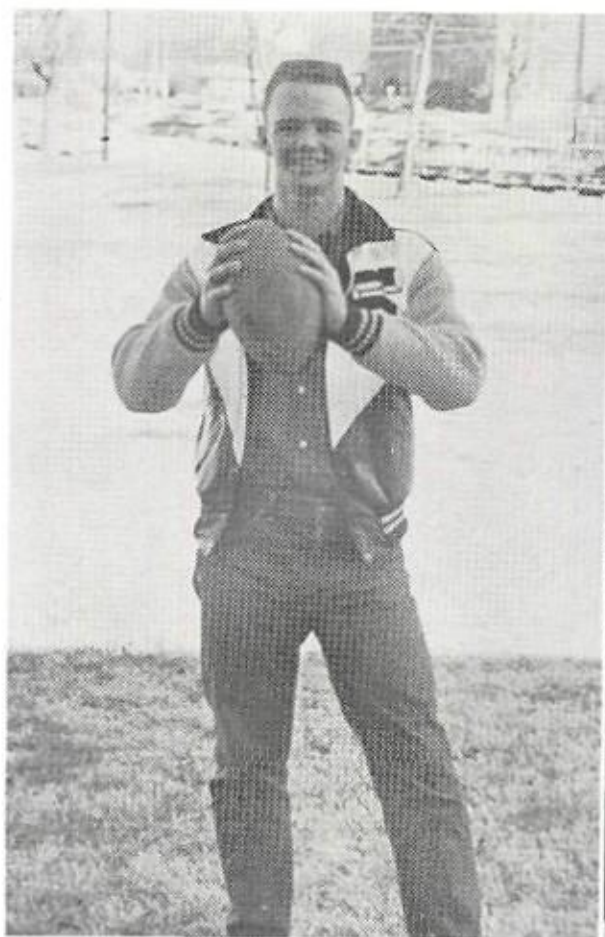

Hoyt Holcomb, a Junior, has been outstanding in his work this year in Agriculture. He has gone out of his way at times with his projects and attending meetings other than the ones in Sherman. Giving his time and abilities to this club has sometimes been difficult. We salute you, Hoyt, for your outstanding work in Agriculture.

## Who's Who in Departments

A new feature in the *Athenian* this year is "Who's Who in Departments." Each teacher was asked to name one student in his department whom he felt did outstanding work, but received little recognition for it. The names were then placed into specific departments, and with the *Athenian* staff acting as a committee, one person was chosen from each department on the basis of his work in school.

JOHN SELF  
Sports

John Self, a Senior center on the Football team, has shown the highest regard to Sportsmanship, team support, and the ability to get along with the other members of his team. He plans to continue in all phases of Sports while at college. We salute John as the Outstanding student in the Sports Department.

AL BOWMAN  
Art

Al Bowman, a sophomore student enrolled in first year art, has shown outstanding ability in all phases of art—still life and portrait drawing, water color and pastel painting, advertising layout, costume design, crafts, and art appreciation. Al plans to continue with his art study in high school and college. We salute you, Al, for your work in art.

BARBARA SMITHSON  
Business

Barbara Smithson has shown a variety of abilities by being a good student in Typing, Bookkeeping, Business Law, Shorthand, Business, Communications, and Stenographic Practice. This gives Barbara many qualities which are necessary for success in the business field. For these reasons we salute you, Barbara, as the outstanding student in the Business Department.

PAT SMITH  
Distributive Education

Pat Smith, a Senior student, has taken DE for two years. She has done fine work and was a delegate at the State Convention in Galveston. She has been very active in all DE activities. We salute Pat for her outstanding work.

**TONI HATTOX**  
English

Toni Hattox, a Senior student, has had four years of English. She has done excellent work and shown outstanding ability in every phase of English, including Shakespearian Drama, book reports, and other forms of English literature. We salute Toni as the outstanding student in English.

**BETTY DOSSEY**  
Foreign Language

Betty Dossey, a Senior student, has taken four years of Latin. After receiving a degree from college, Betty plans to continue in Latin by teaching it in school. Her love for Latin will help keep this language in existence in this modern world. We salute you, Betty, for your outstanding work.

**ANN BIGGERSTAFF**  
Homemaking

Ann Biggerstaff, a sophomore student, has shown qualities in leadership, character, initiative, and dependability. She does excellent work in the various phases of homemaking. She plans to take three years of homemaking in high school and have it as her major in college. She has completed her Junior and Chapter degrees of Achievement. We salute you, Ann, for your outstanding work in homemaking.

**EVA SCOGGINS**  
Industrial Cooperative  
Training

Eva Scoggins is a Junior and is in her first year of training as an X-Ray tech at the Wilson N. Jones Hospital. She is active in all I.C.T. Club activities, her church, and is seen at all school parties. She is looking forward to graduation when she will become a full time X-Ray Technician. We salute Eva for her fine work and dependability.

**MIKE CAUTHEN**  
Industrial Arts

Mike Cauthen, a Senior, has shown the highest ability in being able to understand the basic drafting room practices of reading blue prints and making drawings. We salute Mike for his fine work and dependability.

**HARRY BILGER**  
Mathematics

Harry Bilger, a senior student, has made outstanding progress in one of the most important fields there is today. His ability to understand and comprehend difficult phases of Math will be helpful in any work that he may do in his future life. We salute you, Harry, for your progress in a most difficult field.

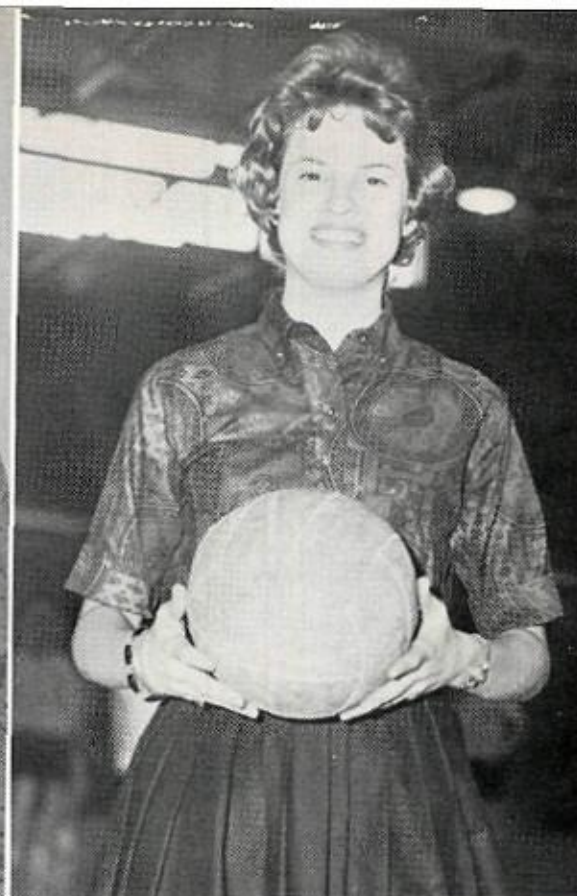

**JOHN BABRAITIS**  
Music

John Babraitis has been in the Sherman High School Band for the last three years. Not only has he taken part in the band activities such as playing at football games and school programs, but he is a member of a selected group of musicians called the Dance Band. We salute you, John, for your excellent work.

**JOYCE FISHER**  
Physical Education

Joyce Fisher, a junior girl, is taking her second year of physical education. She has outstanding ability in all phases of this program. She takes part in volleyball, ping pong, basketball, and physical fitness exercises. We salute Joyce for her work in athletics.

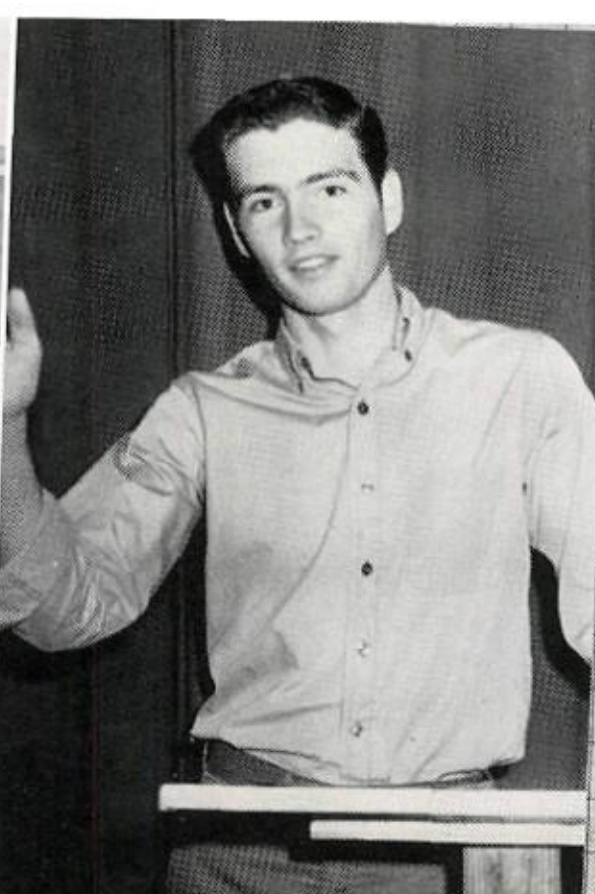

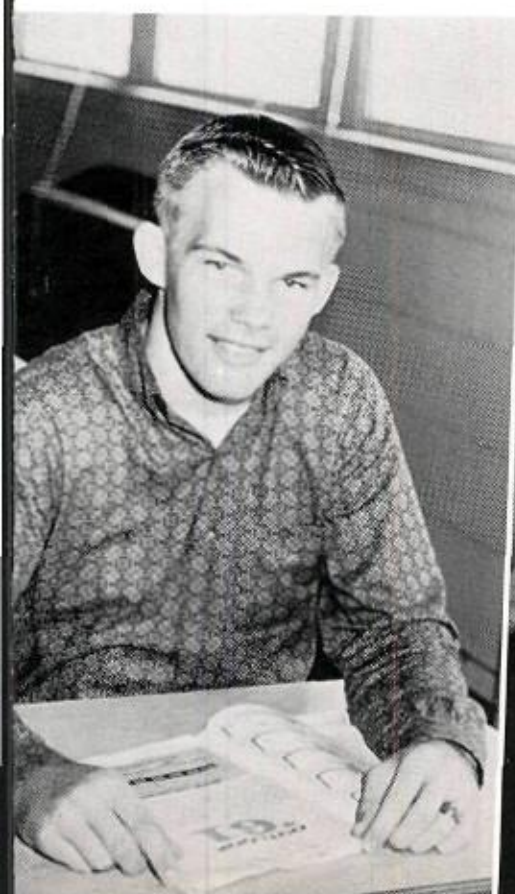

**PAUL PEARCE**  
Publications

Paul Pierce is a member of the *Hi-Talk* Staff. There are many deadlines which Paul must meet, but he has yet to turn in an article late. His writing ability is enjoyed by each member of SHS when they read his column. We salute Paul for the outstanding work that he has done for the Publications Department, which is an extracurricular activity.

**PAT MARSE**  
Science

Pat Marse has taken some phase of science for three years, including biology, chemistry, and physics. In the picture you can see the project which he made for physics. Science is the main concern of people every where today. We salute you, Pat, for the ability you have shown in an important phase of everyone's life.

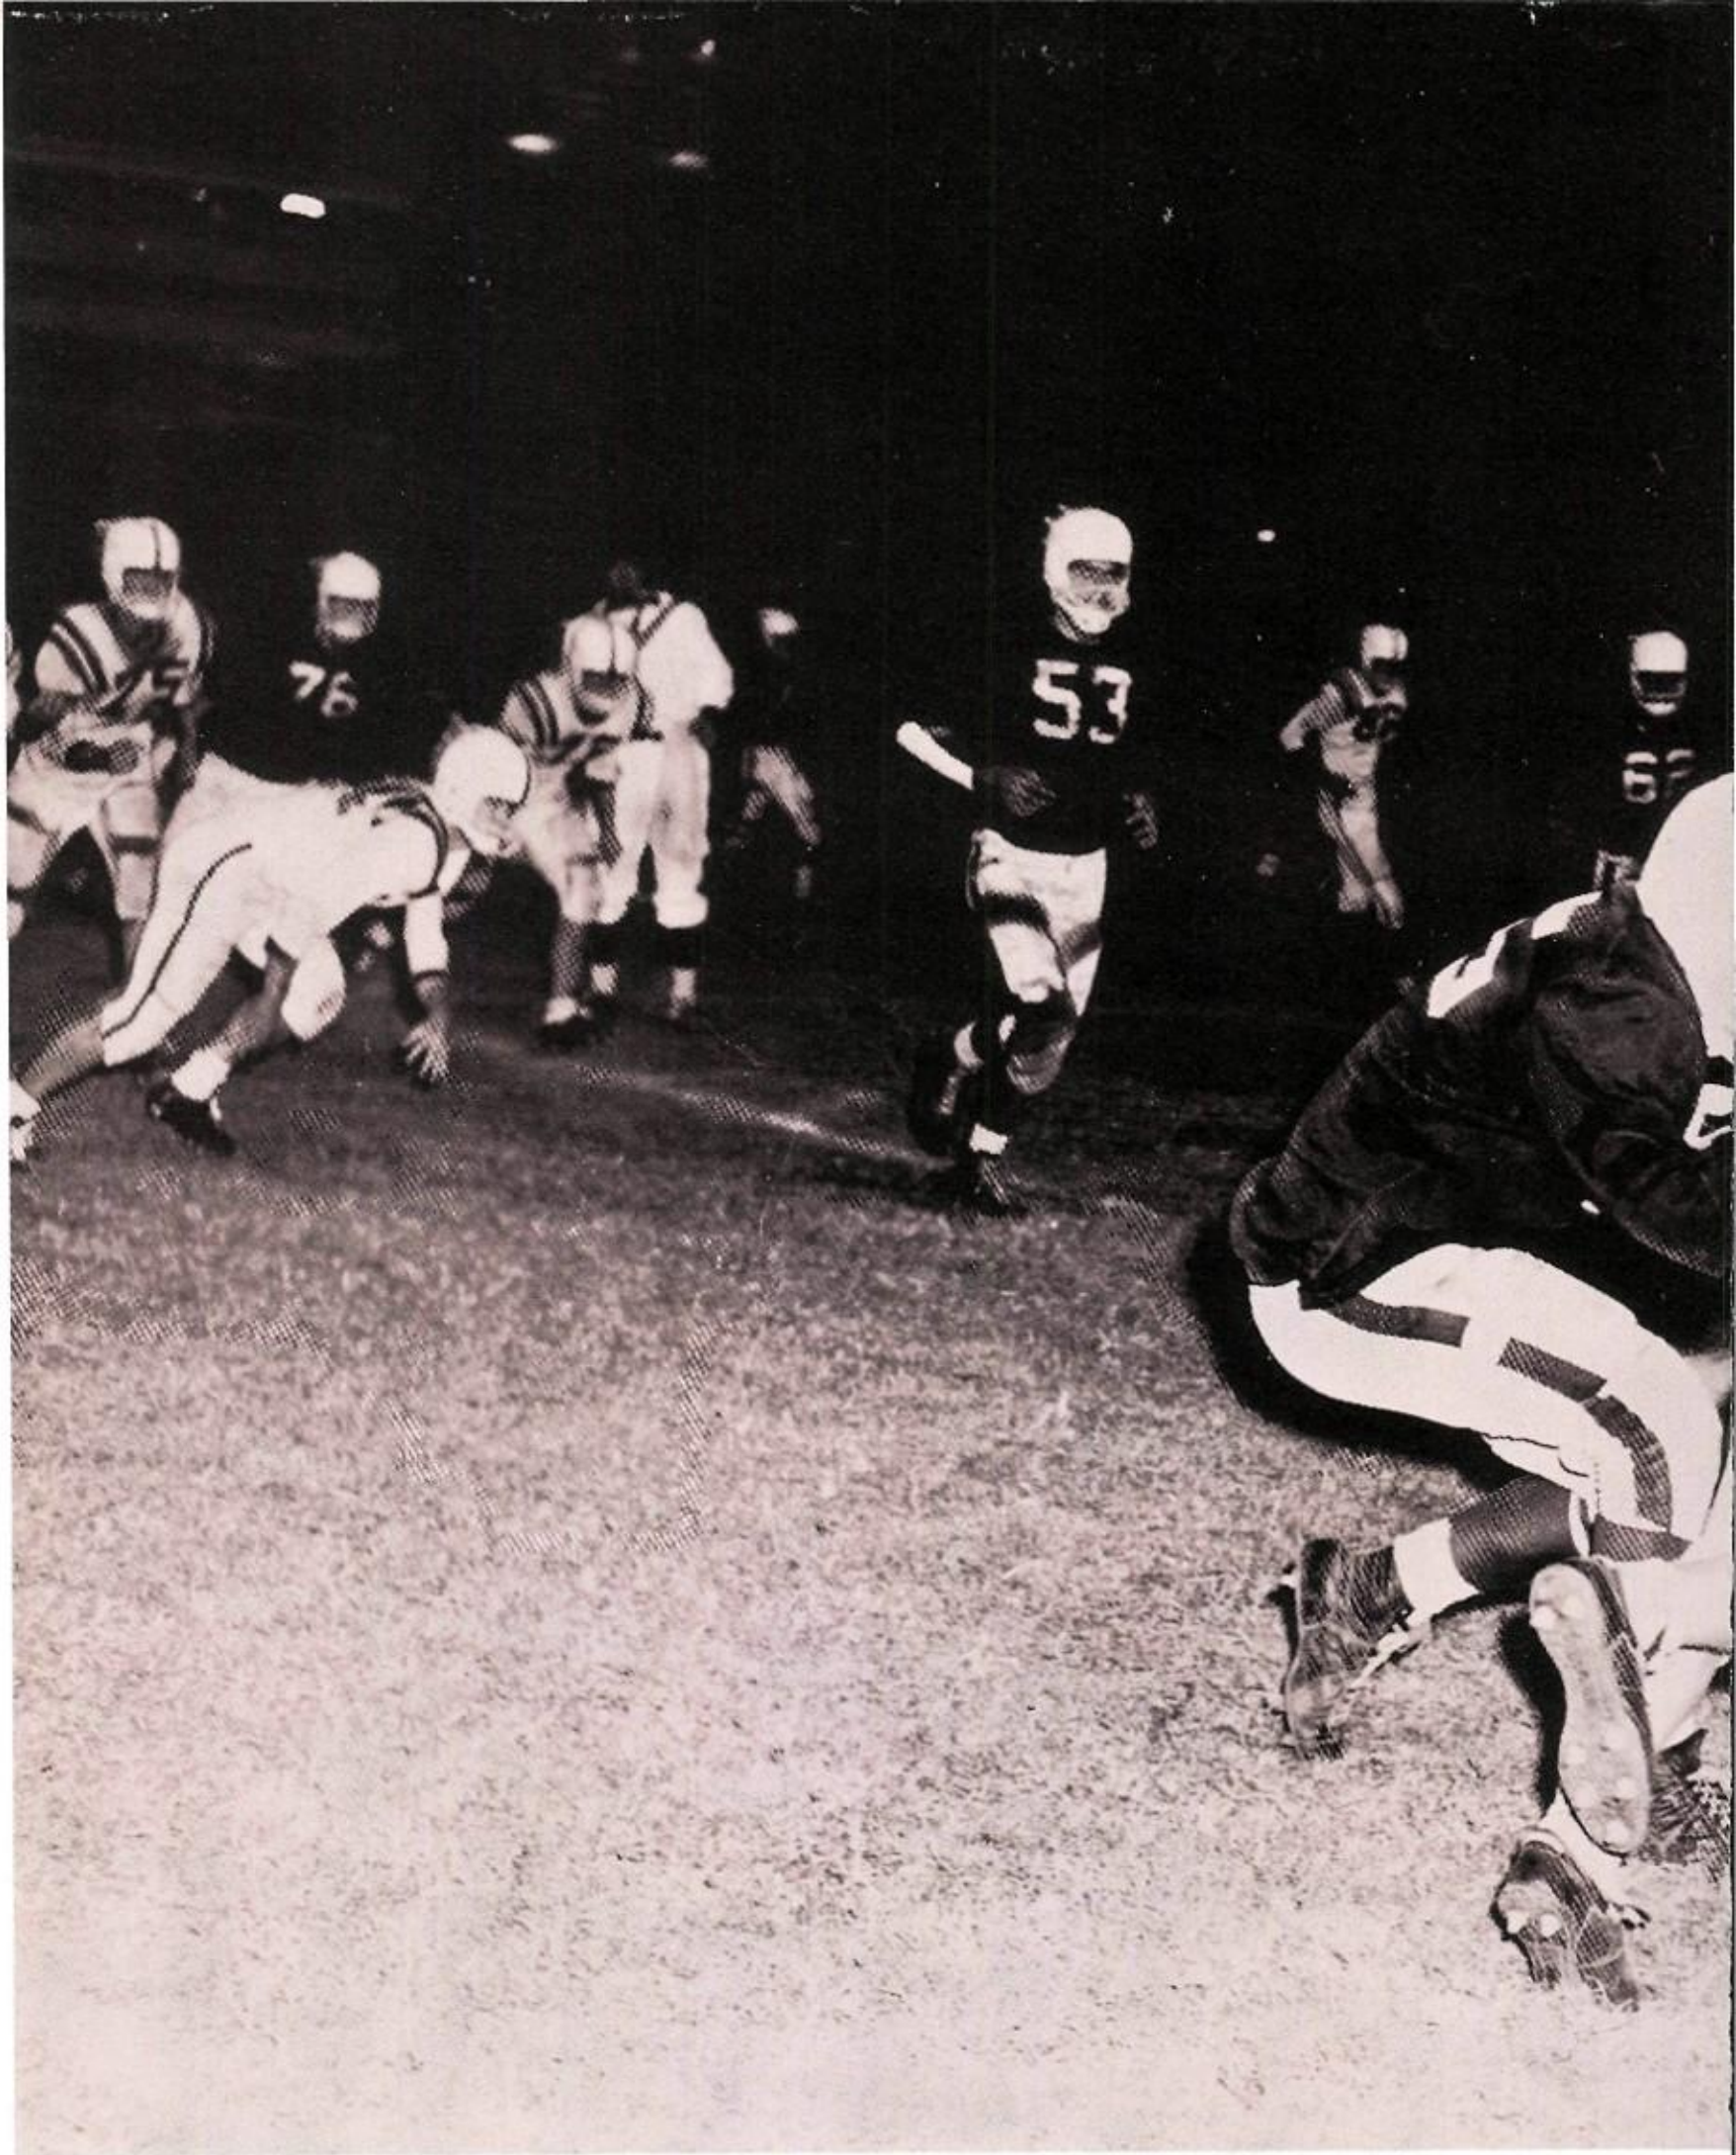

**WOODY GILLILAND**  
Social Studies

Woody Gilliland is a senior student who is engaged in taking civics. He has the ability to learn and understand government and how it is carried on. In the field of Social Studies he has taken World History and American History. We salute you, Woody, for your excellent work and the ability you have for Social Studies.

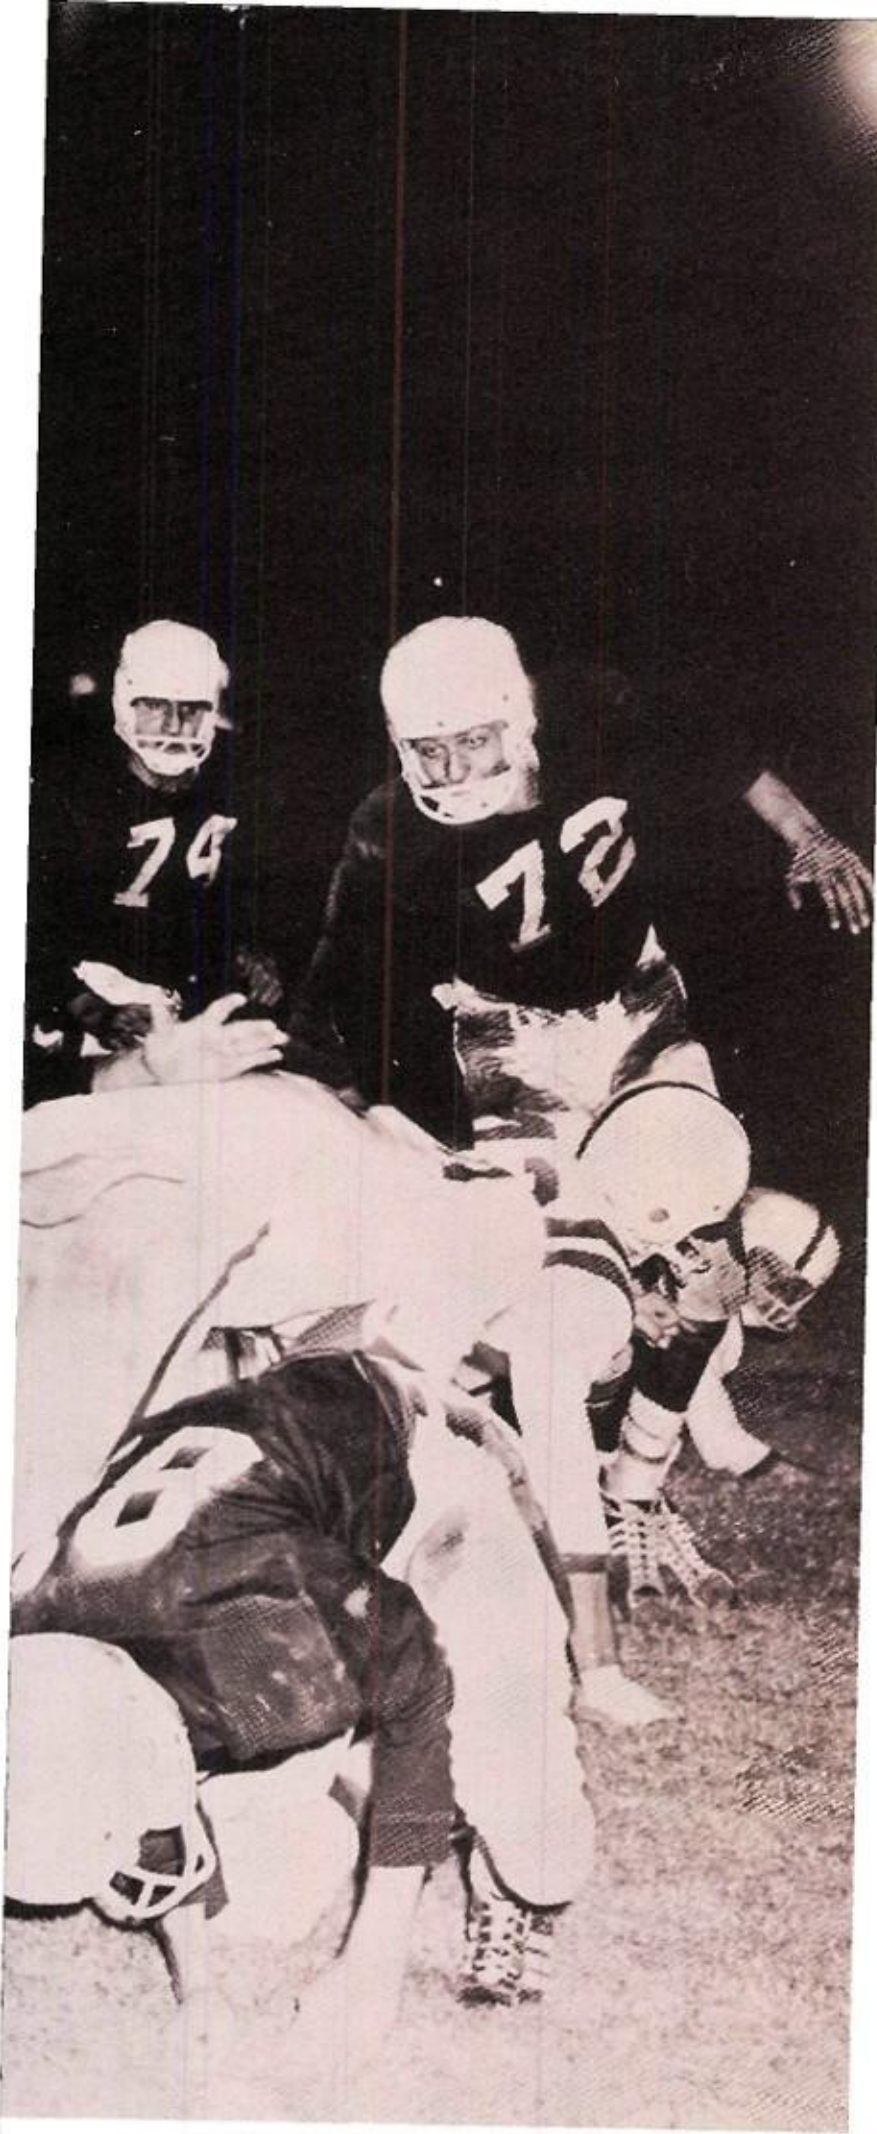

**JERRY McCRARY**  
Speech

Jerry McCrary is one of the outstanding students in the Speech Department. He often writes his own humorous readings. He is an ardent participant in Speech Tournaments and assembly programs. We salute Jerry for his outstanding speech work.

This year the Bearcat Football Team had an outstanding season. The spirit with which each member played, the sportsmanship that each member showed, and the willingness each member put fourth for Sherman High gave this school the best football season it has had in many years.

The team lost only two games—one to Tyler and the other to district champions Garland, and finished second in district by only one-half of a game behind the first placed district team.

# Autographs

Mrs. Thomas—  
 Being in your class  
 this year has been very  
 interesting as well as fun.  
 We all have learned a lot  
 though our grades haven't  
 shown as well as we  
 are a very fine person  
 + teacher, may the best  
 always be yours.

Love ya,  
 Jody

Mrs. Thomas  
 I have really enjoyed  
 in your Chemistry class this  
 year. I hope we will always  
 be the best of friends.  
 P.S. See you at the  
 lake this summer!

The End

Dear Mrs. Thomas,

It's been interesting and fun being your student and friend. You taught me chemistry and interested me in it so that I have decided to make it my major in college. I hope that we will be able to keep in touch in the years to come.

Good luck!

Your friend always,

Melvin Harris

Dear Mrs Thomas,

I really appreciate all you've done to help us learn about chemistry. I've enjoyed helping you this year, for I've learned many things that I did not have a chance to learn last year. Thanks for the wonderful trip to the lake.

Your friend  
David Johnson

Mrs. Thomas:  
It's been a lot  
of fun being in your  
homeroom. I'll always  
remember you.

Yours,  
Pat Bower

Mrs. Thomas,  
I have enjoyed  
being in your  
homeroom. We all  
have had fun.  
Love,  
Jannye Kay  
McLown

Mrs. Thomas  
It has been fun  
being in your  
room. We've had  
year of good times  
a lot of sore & suck  
Jesley Chase

Mrs. Thomas —  
Best of luck as you  
leave SHS to go into  
private life. I've enjoyed  
being in your chemistry class.  
It has been fun and even  
though my grades don't show  
it, I feel I have learned  
something. David Smith

Mrs. Thomas —  
I've really enjoyed being in your  
classes this year and last. We'll miss  
you up here next year, but have a good  
time building your house and everything.  
Don't forget me —  
Bill Mangum —
